

Sky House Herbal Apprenticeship Program Year One

Program Requirements

Program Course Requirements May 2017 Year One: Herbal Foundations

To receive a certificate from The Sky House Herb School & Apothecary and to receive a 100-Hour certificate, students agree to the following course requirements:

1. Completion of required monthly reading assignments
2. Completion of course exams (3) with a grade of 85% or higher
3. Class attendance of 90% or higher
4. Completion of final plant project. Students will write a 1500-word report or complete an herb inspired project on one plant or on a topic within the scope of herbal medicine. This can be an essay on one particular herb, an art project, medicine making, or a community service project.
